

Coronavirus Prayer of Protection

Father, Jesus said that we could come to you in His name, so we come to you, not for what we deserve, but for the mercy and grace Jesus bought for us at the Cross.

Father, I come to you, in the name of Jesus, for protection against this virus threatening my loved ones and me. You are our ever-present help in time of need. You are the way maker, the miracle worker and the promise keeper. Our hope is in you for you made a way through the wilderness, a way for us through the darkness and a way through sickness. Jesus is the way, the truth and life.

You are my strong tower, my defender and champion against this darkness, and in you, I am healed, well-fed, and fully supplied. I am hidden in Christ; therefore, this virus must go through Jesus to get to me. By the stripes Jesus took for me at the Cross, I am healed and safe, and so is my family.

At the Cross, Jesus took away my infirmities and bore my diseases, so I declare I am free and healed, and every weapon fashioned against me will fail. I entrust to you my immune system and report my body has all it needs to fight any disease. Coronavirus, you fail against me. I resist you and declare you are a defeated foe, and no harm will come near me or my home for Jesus has given me power over you.

I trust you, Father, and rely on you and your protection. You command armies to guard me, so I will not fear. I believe in you and will not be discouraged. You will not fail me now or ever. I choose you, Lord Jesus, and trust in your name for protection against the enemy. My family and I are safe in you.

Amen
