

HEALING DECLARATIONS

I want to encourage you to take a huge step in faith and begin speaking God's word out loud. It is tempting to continue to beg and plead and complain. But in the end, you will only wonder and doubt God heard you. Jesus commands us in His word over and over again to 'Have Faith.' Listen to how Jesus tells us to pray in Mark chapter 11 verse 24, "Therefore I tell you, all that you ask for in prayer, believe that you will receive it and it shall be yours."

For years prayed desperate prayer full of fear and worry. When I was finished praying I felt just as fearful and anxious as I did before I prayed. When we beg God repeatedly, we tell Him that we don't believe He heard our last prayer. There has to come a time when I have to quit begging God and start trusting Him.

Declarations take us to a whole new level of faith.

The following declarations are based on God's Truth, His word. His word is the Truth. When we begin to say God's word out loud, we establish our faith in God's word as the Truth. Our foundation grows firm as we speak and grow in faith. Faith comes, the Bible says from hearing God's word (Romans 10:17). As you declare the Truth, you will hear the Truth and start to believe the Truth.

This Truth is for YOU, not someone else, not someone holier than you. You are the righteousness of God in Christ Jesus, the Bible says. You have to believe God sent His son to die for you. If you were the only person alive on earth, God would have sent His Son to die for you. God wrote the Bible for you. God wants you would read it and believe it. Believe that you are the person God is talking about on these pages. Jesus took your sins, so nothing is standing in the way of you receiving your healing but you.

Get out of the way and receive it today.

Who get's forgiveness? Those who accept God's forgiveness. Who does God protect? Those who run to Him for protection. Who does God heal? Those who receive God's healing. It's up to you. God has already made up His mind and sealed it with the blood of Jesus. When Jesus went to the Cross, He paid for your sins. You deserved death, but God gave you life because Jesus paid the requirement of death. Death was what we all deserved. But Jesus took what we deserved so we could receive God's blessing and healing. If Jesus took the Cross for you, the least we can do is accept all that comes to us through him, blessing, healing, deliverance, redemption, forgiveness.... Don't let his work be in vain.

Jesus came to destroy the work of the enemy (1 John 3:8), so we are battling a foe Jesus has already beaten. The Bible says that Jesus healed all who were oppressed by the devil (Acts 10:38). Jesus broke every curse by becoming a curse for us, so we are left battling a curse that has already been destroyed.

It is our turn to take authority over the enemy. Jesus said, "I have given you power over all the power of the enemy." Sickness and disease are enemies, and it's time to wield the sword of the Spirit, which is the Word of God, and make these declarations in His name.

HEALING DECLARATIONS

When the devil hears these words coming out of your mouth, he will think you actually believe them to be true and eventually will back down. You too, will finally believe them. Let these be your statements of faith, faith that God heard your prayer, faith that God is working on your behalf.

Don't wait until you feel better to start declaring. Don't wait till the doctor gives you a good report to start declaring. Faith is believing without seeing, hearing, or feeling. Maybe you aren't ready. Maybe you don't have faith. Do it anyway, and faith will rise up in you. God's word is supernatural and produces supernatural faith.
